

Gujarat State Petroleum Corporation Limited

NOTICE INVITING TENDER

Pre-Qualification for Construction of Intake Channel, Jack Well cum Pumping Station at Tallarevu Lock, Laying & Testing of Raw Water supply Pipeline from Tallarevu Lock to GSPC Onshore Gas Terminal at Mallavaram, Kakinada, Andhra Pradesh, India.

Gujarat State Petroleum Corporation Ltd. (GSPC), a Govt. of Gujarat undertaking, is the Operator of KG-OSN-2001/3 offshore exploration block located on the East Coast of India. GSPC is in the process of setting an Onshore Gas Terminal (OGT) at Mallavaram near Kakinada and for the same water supply is required.

Interested and experienced contractors are requested to submit their Expression of Interest (EOI) for the job of Procurement, Supply, Construction & Commissioning of Intake Channel, Jack Well cum Pumping Station and Laying including Testing of 12 km long, 508 mm OD MS pipeline for Raw Water Supply at Tallarevu Lock near Mallavaram, Kakinada, Andhra Pradesh, India.

The brief Scope of Work and Period of Completion for this Project is mentioned in the Pre-Qualification Document.

Interested contractors who meet the qualification and experience criteria are requested to download the PQ Documents from our **website: www.gspcgroup.com** and submit their EOI (PQ Documents) with all necessary documents / information as indicated in the PQ invitation to the following address within two weeks of publication of this advertisement.

INVITATION FOR PRE-QUALIFICATION

CONSTRUCTION OF INTAKE CHANNEL, JACK WELL CUM PUMPING STATION AT TALLAREVU LOCK, LAYING & TESTING OF RAW WATER SUPPLY PIPE LINE FROM TALLAREVU LOCK TO GSPC ONSHORE GAS TERMINAL AT MALLAVARAM, KAKINADA, ANDHRA PRADESH, INDIA.

GUJARAT STATE PETROLEUM CORPORATION LTD.

(PQ DOCUMENT NO.: GSPC/PQ-Laying of Raw Water Pipeline/DDFD/09-10/01)

1.0 Gujarat State Petroleum Corporation Ltd. (GSPC), Gandhinagar a Government of Gujarat undertaking is the Operator of KG-OSN-2001/3, an offshore exploration block located on the East Coast of India. GSPC is in the process of setting up a Gas Terminal at which requires raw water for operation. Government of AP, Irrigation Department, has approved the proposal of GSPC to draw the water from Tallarevu Lock. Interested bidders are requested to submit their bid for Pre-qualification for Construction of Intake Channel, Jack Well cum Pumping Station and Laying & Testing of Raw Water Supply Pipe Line from Tallarevu Lock to GSPC onshore Gas Terminal at Mallavaram, as per Pre-Qualification (PQ) criteria specified in this document.

2.0 The PQ evaluation is intended only for short listing of contractors to whom the tender documents will be issued. In the event if any one of the contracting firms does not fulfill pre-qualification criteria specified in this document, they may form joint venture/consortium to fulfill the criteria.

The bidder should confirm whether the document for prequalification submitted by the bidder is from an Individual Firm or a Joint Venture/Consortium.

3.0 The scope of work under CONSTRUCTION OF INTAKE CHANNEL, JACK WELL CUM PUMPING STATION AT TALLAREVU LOCK, LAYING & TESTING OF RAW WATER SUPPLY PIPE LINE FROM TALLAREVU LOCK TO GSPC ONSHORE GAS TERMINAL AT MALLAVARAM shall be as described below;

Brief scope of work is Construction of Intake Channel, Jack Well, Pumping Station, Laying including Jointing & Testing of MS Pipe line, Pre-commissioning & Commissioning and handing over to the Owner with the following facilities;

- i) RCC Intake Channel of Approximately 30m, with Penstock, Coarse and Fine Screens, etc.
- ii) RCC Jack Well of Approximately of 7m x 15m x 7.65m (Depth).
- iii) Brick Masonry Pumping Station including installation, testing, commissioning of 2 nos. 100 HP Pumps, HOT Crane, Electrical Panel Board, etc.
- iv) Construction, Laying & Testing of 508 mm Dia. MS Pipeline of approximately 12 Km long, including supply & installation of Valves and Construction of Valve Chambers for Air Valves, Scour (Washout) Valves and Sluice Valves, construction of Thrust Blocks, Crossings of Canals and NH-214 high way, etc.
- v) Supply & installation of outdoor type Transformer of 200 KVA capacity of 11KV / 415 volts, Construction/Installation of 11 KV overhead line from nearest substation to transformer centre.

The power required by the bidder during installation, testing, commissioning shall be in bidder's scope and will have to be arranged by the bidder himself.

- vi) Supply & installation of Standby Diesel Generator of 160 KVA capacity with all required accessories and control panel & Construction of Brick Masonry DG Room.
 - vii) Construction of Operator Room, Internal Roads, Landscaping, and Brick Masonry Compound wall of 1.8m height.
- 4.0 Non-transferable Pre-Qualification Document can be down loaded from the web site of GSPC (www.gspcgroup.com). Request for sending the PQ document by post, courier or any other mode shall not be entertained.
- 5.0 PQ Bids duly filled with all information and supporting documents shall be submitted at following address latest by 17:00 Hrs. (IST) on 21st January 2010:

Managing Director
Gujarat State Petroleum Corporation Ltd (GSPC)
GSPC Bhavan, Behind Udyog Bhavan,
3rd Floor, Sector-11, Gandhinagar-382010,
Gujarat (India).

- Bidders should ensure submission of complete information/ documentation in the first instance itself. Pre-Qualification may be completed based on the details so furnished without seeking any subsequent additional information.
- 6.0 Downloading of PQ Document or/and submission of PQ Bids shall not be presumed as Pre-Qualification or entitle the agencies to participate in the main bidding process. The Tender Documents will be issued to only the pre-qualified bidders.
- 7.0 GSPC will not be responsible for any costs or expenses incurred by the Bidder in connection with preparation or delivery of PQ Bids, participating in discussions etc. including costs and expenses related with visits to the site.
- 8.0 GSPC shall allow purchase preference to Indian Central Government / Public Sector Undertaking / Enterprises as admissible under the existing policies of Government of India.
- 9.0 Telefax / E-mail PQ bids shall not be accepted. GSPC takes no responsibility for delay, loss or non-receipt of PQ bid sent by Post/Courier/Hand delivery.
- 10.0 GSPC reserves the right to reject any or all PQ Bids at their sole discretion without assigning any reason whatsoever.
- 11.0 Canvassing in any form by the Bidder may lead to disqualification of their PQ Bid.
- 12.0 Clarifications, if any, can be obtained from (name & address of GSPC contact persons).

1.0 INTRODUCTION

- 1.1 Gujarat State Petroleum Corporation Ltd. (GSPC) a Government of Gujarat undertaking is the Operator of KG-OSN-2001/3, offshore exploration block located on the East Coast of India, near Kakinada (Andhra Pradesh). GSPC is planning to set up Onshore Gas Terminal for the development of Deen Dayal Field.
- 1.2 Project site is located about 25 Km from Kakinada, Andhra Pradesh, on the east coast of India. Nearest Airport is at Vizag at about 180 Km and nearest Railway station is at Kakinada.
- 1.3 It is envisaged to carry out construction of the project on Item Rate basis. This PQ Document pertains to Prequalification of contractors only.
- 1.4 GSPC invites bids for Pre-qualification of Bidders for “CONSTRUCTION OF INTAKE CHANNEL, JACK WELL CUM PUMPING STATION AT TALLAREVU LOCK, LAYING & TESTING OF RAW WATER SUPPLY PIPELINE FROM TALLAREVU LOCK TO GSPC ONSHORE GAS TERMINAL AT MALLAVARAM”, in accordance with the requirements specified in the Pre-qualification (PQ) Document.
- 1.5 GSPC invites bids for pre-qualification of bidders in accordance with the requirements specified in the Pre-qualification Document.

2.0 DEFINITIONS

- 2.1 “Owner” shall mean Gujarat State Petroleum Corporation Ltd. (GSPC), a company incorporated in India and having its registered office at GSPC Bhavan, Behind Udyog Bhavan, 3rd Floor, Sector-11, Gandhinagar-382010, Gujarat (India) and shall include its successors and assigns.
- 2.2 “Consultant” shall mean Engineering & Information Technology (EIT) Pvt. Ltd., a company incorporated in India and having its registered Office at Bangalore and shall include its successors and assigns.
- 2.3 “Bidder” shall mean the agency that has submitted the PQ Bid in response to PQ Document.
- 2.4 “Pre-qualified Bidder” shall mean the Bidder who has been pre-qualified by Owner for issue of the Bidding Document.
- 2.5 “PQ Bid” shall mean the bid submitted by Bidder(s) for Pre-qualification, for issue of the Bidding Document for *Construction of Intake Channel, Jack Well Cum Pumping Station at Tallarevu Lock, Laying & Testing of Raw Water supply Pipe Line from Tallarevu Lock to GSPC Onshore Gas Terminal at Mallavaram* in response to this ‘PQ Document’.
- 2.6 “Bid” shall mean the bid submitted by the Pre-qualified Bidder after issue of the Bidding Document by Owner (GSPC).
- 2.7 “Bidding Document” shall mean the document issued to the Pre-qualified Bidder by Owner (GSPC) for submission of their Bid.
- 2.8 “Experience Criteria” shall mean the minimum experience criteria and other requirement as defined in the document.
- 2.9 “Financial Criteria” shall mean the minimum annual turnover criteria and other requirements mentioned in the document.

3.0 SCOPE OF WORK

Brief scope of work is Construction of Intake Channel, Jack Well, Pumping Station, Laying including Jointing & Testing of MS Pipe line, Pre-commissioning, & Commissioning and handing over to the Owner with the following facilities;

- i) RCC Intake Channel of Approximately 30m, with Penstock, Coarse and Fine Screens, etc.
- ii) RCC Jack Well of Approximately of 7m x 15m x 7.65m (Depth).
- iii) Brick Masonry Pumping Station including installation, testing, commissioning of 2 nos. 100 HP Pumps, HOT Crane, Electrical Panel Board, etc.
- iv) Construction, Laying & Testing of 508 mm Dia. MS Pipeline of approximately 12 Km long, including supply & installation of Valves and Construction of Valve Chambers for Air Valves, Scour (Washout) Valves and Sluice Valves, construction of Thrust Blocks, Crossings of Canals and NH-214 high way, etc.
- v) Supply & installation of outdoor type Transformer of 200 KVA capacity of 11KV / 415 volts, Construction/Installation of 11 KV overhead line from nearest substation to transformer centre.

The power required by the bidder during installation, testing, commissioning shall be in bidder's scope and will have to be arranged by the bidder himself.

- vi) Supply & installation of Standby Diesel Generator of 160 KVA capacity with all required accessories and control panel & Construction of Brick Masonry DG Room.
- vii) Construction of Operator Room, Internal Roads, Landscaping, and Brick Masonry Compound wall of 1.8m height.

4.0 SCOPE OF SUPPLY

Not Used.

5.0 TERMS AND CONDITIONS

5.1 COST OF BIDDING

The bidder shall bear all costs associated with the preparation or submission of its PQ Bid, participating in discussions etc. including costs and expenses related with visits to the site(s). GSPC will in no case be responsible or liable for those costs and expenses regardless of the outcome of the Bidding process.

5.2 LANGUAGE OF PQ BIDS

The PQ Bid and all correspondence incidental and related to PQ Bid shall be in English language. Any printed literature and document submitted in any other language should be accompanied by authenticated English translation, in which case, for purpose of interpretation of the PQ Bid, English translation shall govern. Responsibility for correctness in translation shall solely lie with the Bidder.

5.3 COST OF MAIN BIDDING DOCUMENT

Non-transferable Main Bidding Document shall be issued to pre-qualified bidder on payment of non-refundable fee prescribed therein at a later date.

5.4 SECRECY AGREEMENT

Before issue of Bidding Documents, Bidder(s) shall have to furnish secrecy agreement(s) for non-disclosure of technical information that may be made available to him for the Project from GSPC. Bidder(s) shall not disclose confidential information to any third party without prior written approval of GSPC.

5.5 BIDDER AS SUB-CONTRACTOR

A bidder shall not be a sub-contractor for another bidder at the bidding stage.

5.6 PQ BID ON CONSORTIUM BASIS

- 5.6.1 A Bidder may participate either singly or in consortium. Total number of consortium members including Leader in a consortium should not exceed two.
- 5.6.2 All the members of the Consortium must satisfy the qualification criteria set forth herein. The bid shall contain a statement of the members of the consortium and shall provide all information necessary to satisfy GSPC that the members of the Consortium fulfill the qualifying criteria.
- 5.6.3 The PQ Bids shall contain original copy of the Memorandum of Understanding (MOU) between the consortium members clearly identifying the Leader, scope and responsibility of each member in the performance of the contract, and shall be supported by documents required to establish the expertise and competence of each member(s) in the responsibilities allotted.
- 5.6.4 The Leader of the consortium shall be nominated as being in-charge to represent the Consortium in all dealings with GSPC and for providing any information or clarification sought from the Consortium, and this authorisation shall be evident in legally executed Power of Attorney signed by legally authorised signatories of all the consortium members so as to enable such representative member(s) to be in-charge and to act on behalf of and to bind the other members.
- 5.6.5 The PQ Bid shall be signed by the authorised representative of consortium member.
- 5.6.6 The consortium Leader shall be authorised to incur liabilities and receive instructions for and on behalf of any and all member(s) of the Consortium and all dealings including billing and payments shall be done exclusively with the Leader of the consortium.
- 5.6.7 All the members of the Consortium shall be jointly and severally responsible for the Performance of the CONTRACT in accordance with its terms and a statement to this effect shall be deemed to be included in the authorisation mentioned under 5.6.4 above as well as in the Bid and shall be specifically included in the Form of Contract (in the case of successful bid).
- 5.6.8 It should be expressly understood that the Consortium composition and basis of agreement shall not be permitted to alter after submission of the PQ Bid.

5.7 OWNER'S RIGHT

- 5.7.1 GSPC reserve its right to call for clarifications/original of the supporting document for verification, as deemed fit and also to cross check for any details as furnished by the Bidder(s) from past-executed projects/clients/consultants etc. Bidder(s) shall have no objection whatsoever in this regard.
- 5.7.2 GSPC reserve right for acceptability of the Bidder's Bank, for Performance Bank Guarantee, which are required to be submitted by Successful Bidder after award of work.

- 5.8 All the details/documents submitted along with PQ Bid and which have been considered for pre-qualification and the minimum commitments from Bidder shall remain valid and in case of successful Bidder, such commitments may form part of Contract Document.

6.0 PREPARATION/SUBMISSION OF PQ BIDS

6.1 PQ BID REQUIREMENTS

- 6.1.1 Bidder is required to submit complete PQ Bid and in the format as given in Checklist enclosed separately in order to achieve the objective of maintaining

uniform PQ Bid structure from all the Bidders. These requirements must be adhered to by all the Bidders.

- 6.1.2 The Prequalification requirements are explicitly stated in this Document. Bidder is required to study these requirements in detail and make a PQ Bid as defined above completely meeting these requirements. The PQ Bid must be complete in all respect leaving no scope for ambiguity.
- 6.1.3 The PQ Bid shall be submitted with all details as per checklist. In case of PQ Bid on consortium basis, all relevant details shall be submitted for each member(s) of consortium.

6.2 SUBMISSION OF PQ BIDS

- 6.2.1 Bidders are advised to submit PQ Bids strictly in accordance with requirement mentioned in Clause 6.0. PQ Bid shall contain **one original and two copies** along with all necessary documents filed separately and the entire PQ Bid shall be placed in the cloth lined envelope and superscribed as:

Pre-Qualification (PQ) Bid for “Construction of Intake Channel, Jack Well cum Pumping Station at Tallarevu Lock, Laying & Testing of Raw Water supply Pipe Line from Tallarevu Lock to GSPC Onshore Gas Terminal at Mallavaram.”

The PQ bid shall be submitted at the following address latest by **1700 Hrs. (IST) on 21st January 2010.**

**Managing Director,
Gujarat State Petroleum Corporation Ltd.,
GSPC Bhavan, Behind Udyog Bhavan,
3rd Floor, Sector-11,
Gandhinagar-382010, Gujarat (India)**

Copy of this PQ Document shall be signed and stamped on each page and submitted along with the PQ Bid as a token of acceptance. In case of bid on consortium basis, PQ Document shall be signed by all the consortium members or by the Leader of the consortium, if the Leader has the Power of Attorney from the consortium member.

- 6.2.2 Salient information to be submitted by Bidder(s) is mentioned under para 6.3 to 6.5 below.

6.3 EXPERIENCE DETAILS

- 6.3.1 Bidder shall furnish their Experience Details during previous 5 years in line with Experience Criteria mentioned under para 8.0 of this document. The experience details of all such works, which Bidder considers are meeting experience criteria shall be submitted as per Exhibit-1. Copy of detailed work order / Notification for award of work/contract document and copy of proof of completion etc shall be submitted as per Exhibit-1.
- 6.3.2 Bidder shall also furnish the experience details of other similar works as per Exhibit-2.

6.4 FINANCIAL DETAILS

Bidder shall furnish the following;

- (i) All information as per Exhibit-3.
- (ii) Audited balance sheets or financial statement for the three preceding years.

6.5 COMPANY'S ORGANISATIONAL DETAILS

Bidder shall specify whether the Company is Affiliate Company or Parent Company as per Exhibit-4. Proposed organisation chart shall be furnished as per Exhibit-5.

7.0 PQ BID EVALUATION CRITERIA

7.1 Bidder seeking pre-qualification shall meet the Minimum Experience Criteria stated under para 8.1 & 8.2 herein below.

7.2 While evaluating the Bidder's conformity with Experience Criteria as per para 8.1 herein below, the following consideration shall be applied;

- (i) Only such works shall be taken into consideration, the details of which have been submitted by the Bidder as per Exhibit-1 along with copy of work order/notification for award, copy of proof of completion, etc.
- (ii) Copy of work order/notification for award of work is a mandatory document, which establishes that the Bidder has been awarded a work, which is claimed to be meeting the Experience Criteria.
- (iii) Submission of adequate proof of Completion is mandatory requirement, which establishes that the work under reference has been completed & handed over to the Owner.
- (iv) In case these mandatory documents are not enclosed with Exhibit-1 such work shall not be considered in evaluation for meeting the Experience Criteria.
- (v) All supporting documents, pertaining to experience criteria submitted by the Bidder as evidence shall be certified true copies duly signed, dated and stamped by an official authorized representative.

7.3 GSPC will examine the PQ Bids for completeness and authenticity including whether the documents have been signed, whether they are complete and whether the details furnished are generally in order.

7.4 GSPC/Consultant reserve the right not to seek any additional information/clarification on documents submitted in support of Pre-Qualification requirements and evaluate the PQ Bids on "As Received Basis".

7.5 FINANCIAL

Bidder is required to be financially sound for executing the work covered under the Scope of Work. Bidder shall meet the Financial Criteria as mentioned under para no. 8.3 or 8.4 herein below.

7.6 Bidder intending to participate shall meet the pre-qualification criteria stated in 'Instructions for Pre-qualification'.

7.7 GSPC'S RIGHT TO ACCEPT ANY PQ BID AND REJECT ANY OR ALL PQ BIDS

The GSPC reserves the right to accept or reject any PQ Bid and to annul the Bidding process and reject all PQ Bids at any time without thereby incurring any liability to the affected Bidder(s) or any obligation to inform the affected Bidder(s) of the grounds for the Owner's action.

7.8 CONTACTING GSPC/Consultant

No Bidder shall contact the GSPC/Consultant on any matter relating to its PQ Bid from the time of submission of PQ Bid, unless requested so in writing. Any effort by a Bidder to influence the OWNER/Consultant in the Owner's decisions in respect of PQ Bid evaluation will result in the rejection of that Bidder's PQ Bid.

8.0 PREQUALIFICATION CRITERIA

Bidders seeking Pre-Qualification shall meet the following minimum Pre-Qualification Criteria;

A. EXPERIENCE CRITERIA

8.1 IN CASE OF SINGLE BIDDER

8.1.1 The Bidder shall have experience of having successfully completed, as a single bidder, at least one Contract involving Construction of Intake Channel, Jack Well cum Pumping Station and MS Pipeline (Laying & Testing of MS/DI pipeline) of 408 mm or above diameter of minimum length of 5 Km during the last 5 (five) years with scope of work comprising Procurement, Fabrication, Installation, Testing, Pre-commissioning, Commissioning, etc.

8.1.2 The Bidder must himself have the experience of having executed following activities in the last 5 years;

- a) At least one RCC Jack well of 5.0 MLD Capacity.
- b) At least one Pumping Station and erecting two pumps or more of 5.0 MLD Capacity.
- c) Completion of at least one MS Pipeline (Laying & Testing of MS/DI pipeline) of 408 mm or above diameter for a minimum length of 5 Km.

8.1.3 Not used.

8.2 IN CASE OF CONSORTIUM BID

8.2.1 The Leader of consortium shall possess himself experience of having successfully completed, as a single bidder or as Leader of consortium at least one project, involving Construction of Intake Channel, MS Pipeline (Laying & Testing of MS/DI pipeline) of 408 mm or above diameter of minimum length of 5 Km during the last 5 (five) years with scope of work comprising Procurement, Fabrication, Installation, Testing, Pre-commissioning, Commissioning, etc.

The Leader of consortium shall be considered as the main Leader having single point responsibility towards GSPC.

8.2.2 The Consortium Member must himself have experience of having executed at least any one of the following main activities in the last 5 years;

- a) At least one RCC Jack well of 5.0 MLD Capacity.
- b) At least one Pumping Station and erecting two pumps or more of 5.0 MLD Capacity.

8.2.3 The overall responsibility of project management of entire project shall be that of the Leader of consortium.

8.2.4 Other members of the consortium shall have definite predefined role/activity in the project (other than financing activity). Each consortium partner should have adequate experience in predefined role/activity (other than financing activity) as required under PQ criteria.

8.2.5 Total number of consortium members in a consortium shall not exceed two.

8.2.6 The period mentioned under para 8.1.2 & 8.2.2 above shall be reckoned prior to the due date of submission of PQ bid.

B. FINANCIAL CRITERIA

8.3 In Case of Single Bidder

8.3.1 The Annual Turnover of the Bidder during at least last two years of the three preceding financial years i.e. 2006-2007, 2007-2008 and 2008-2009 or financial years ending March 2007, March 2008 and March 2009 shall not be less than **INR 4.5 Crores** or equivalent.

8.3.2 Net worth of the Bidder (Company/firm) should be INR 3.0 Crores or more during last two financial years.

8.4 In Case of Consortium Bid

8.4.1 The Annual Turnover of the Consortium members during at least last two years of the three preceding financial years (FY) i.e. 2006-2007, 2007-2008 and 2008-2009 or financial years ending March 2007, March 2008 and March 2009 shall not be less than:

Leader of Consortium: **INR 4.5 Crores** or equivalent.

Consortium Member: **INR 2.0 Crores** or equivalent.

8.4.2 Net worth of the firm / consortium partnering company together should be INR 3.0 Crores or more during the last two financial year. The individual networth of the leader company/firm and consortium member/company/firm should not be less than:

Leader of Consortium: **INR 2.0 Crores** or equivalent.

Consortium Member: **INR 1.0 Crore** or equivalent.

8.4.3 Evaluation for Pre-Qualification of bids shall be carried out as specified in Pre-Qualification Document.

8.4.4 The Consultant of the Project shall not be eligible to participate in the bidding.

8.4.5 Bidder submitting their PQ bid shall not be under liquidation, court receivership or similar proceeding.

The Bidder shall furnish documentary evidence by way of copies of work order, proof of successful completion certificate. Bidder shall also furnish balance sheet or / and audited financial report for the last three financial / calendar years as applicable including Profit & Loss Account etc. along with the PQ Bid to establish Bidder's conformance to Pre-Qualification criteria. All supporting documents, pertaining to experience criteria submitted by the Bidder as evidence shall be certified true copies duly signed, dated and stamped by an official authorized.

9.0 COMPLETION SCHEDULE

Completion schedule for the project is 6 (Six) Months from the date of Contract award.

EXHIBITS

EXHIBIT-1

**EXPERIENCE DETAILS AS PER INVITATION FOR
PRE QUALIFICATION**

Bidder shall furnish their experience details with reference to the work which shall pre qualify them in line with Experience Criteria mentioned in Instructions for Pre-qualification.

In case of consortium, bid details are to be furnished separately for Leader and other member(s) as per this exhibit.
